Analyses current live auctions and identifies the top 5 undervalued picks

1 **Giovanni Reyna** TRENDING [View on Sorare →](#)

Giovanni Reyna is a young midfielder at Borussia Mönchengladbach, a competitive Bundesliga club. Priced at $\text{€}0.0032$, he is 68% below the average for rare cards, making this a great opportunity, especially as the auction ends soon.

2 **Gustavo Puerta** TRENDING [View on Sorare →](#)

At only 22, Gustavo Puerta plays for Real Racing Club de Santander and is priced at $\text{€}0.0055$, which is 57% below the average for super rare cards. This presents a strong opportunity given his age and potential, with more than three days left in the auction.

3 **Nicolás Paz** TRENDING [View on Sorare →](#)

Nicolás Paz, a promising 21-year-old midfielder at Calcio Como, is currently priced at $\text{€}0.0029$, 71% below the average for rare cards. With nearly 30 hours left on the auction, this is an excellent value play for those looking for young talent.

4 **Finn Surman** TRENDING [View on Sorare →](#)

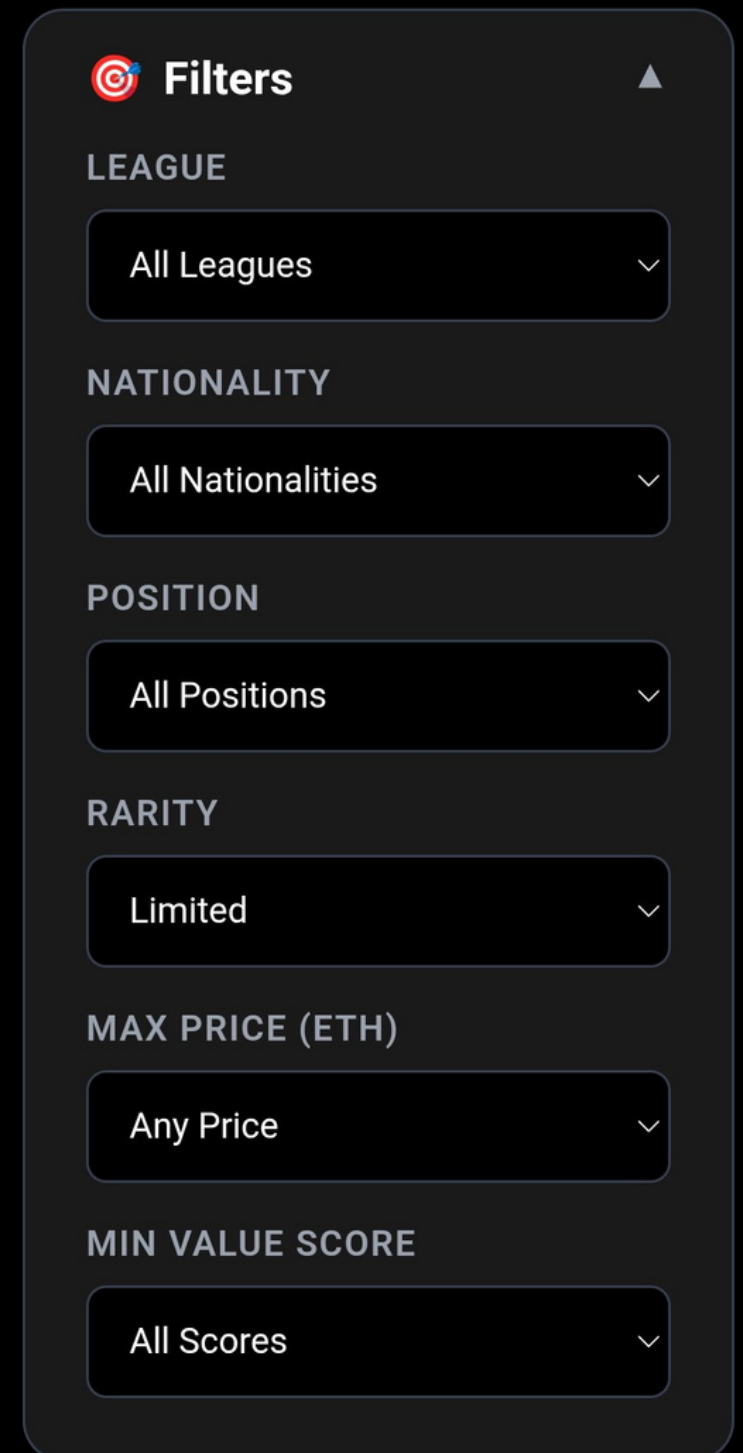

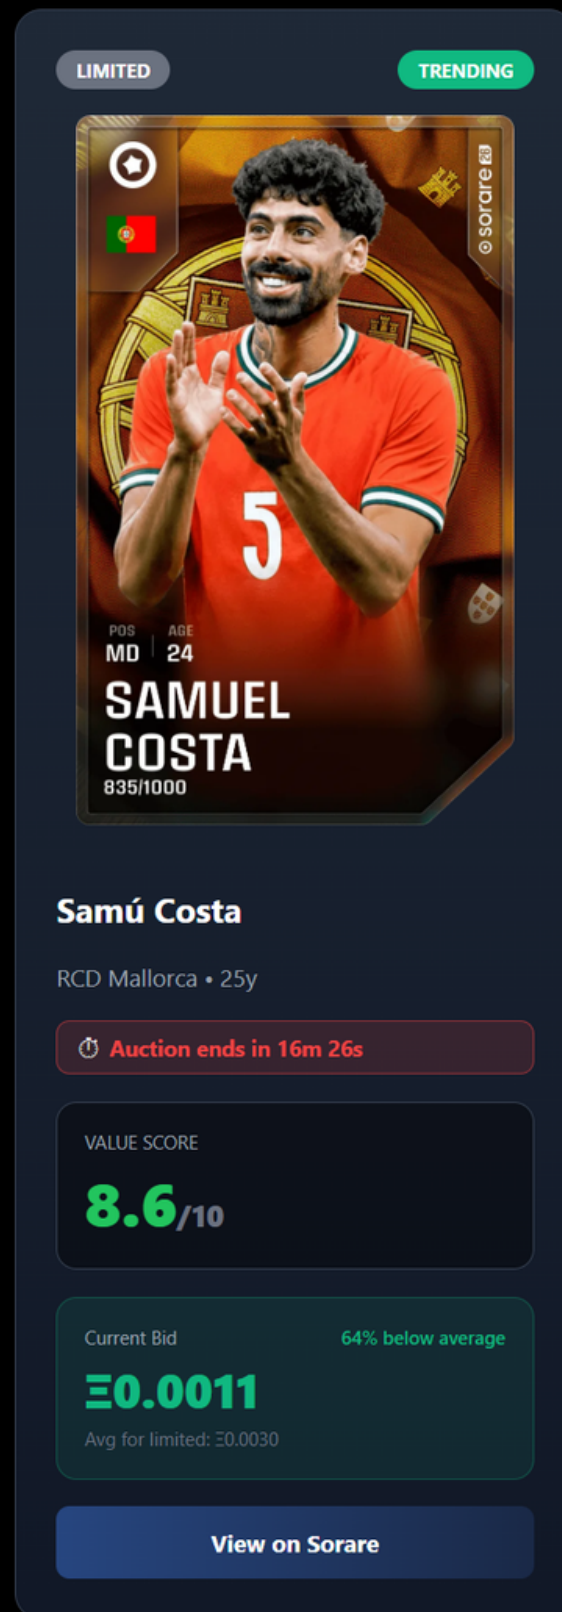

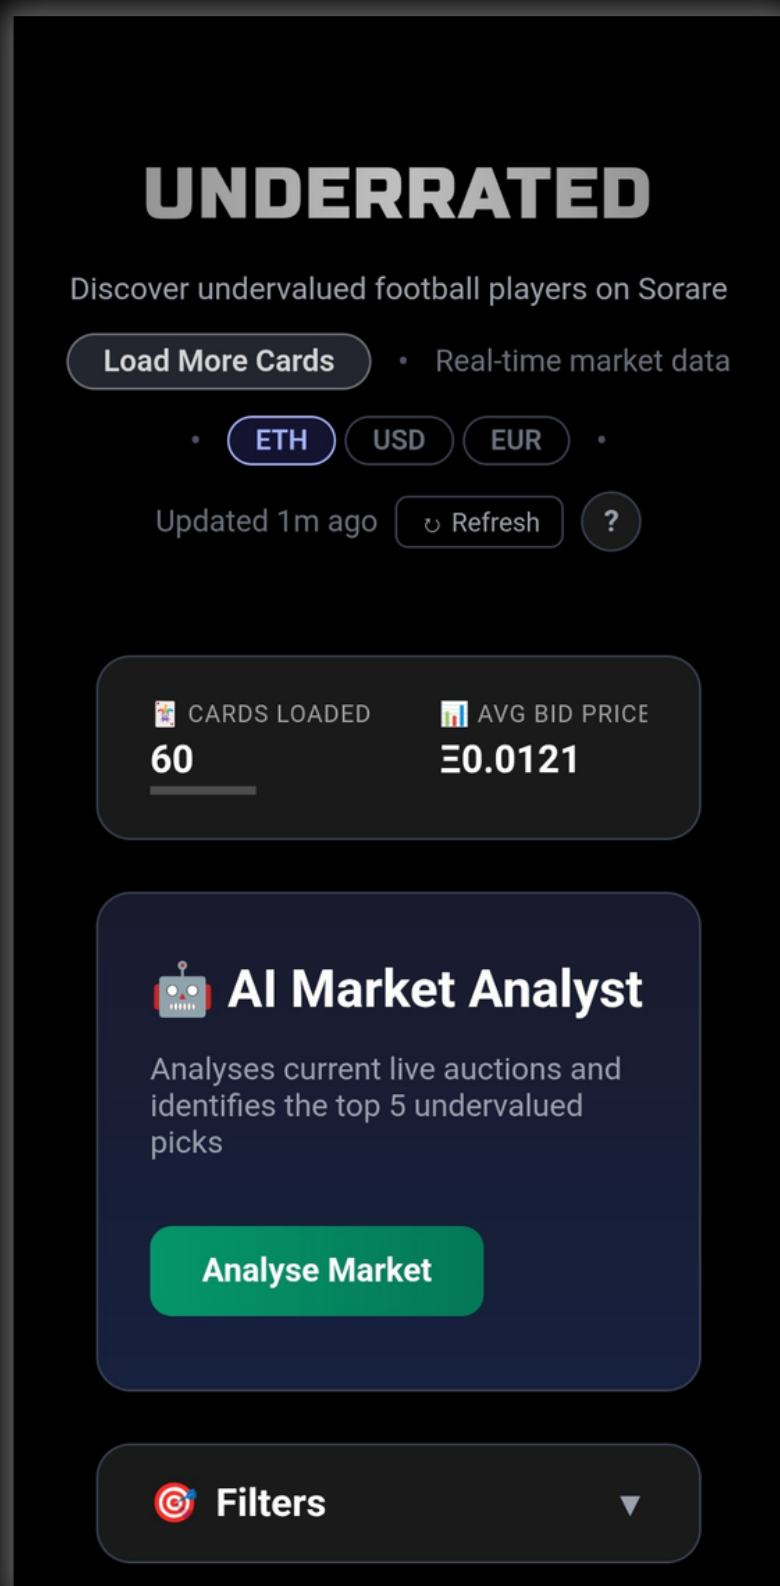

Finn Surman, a 22-year-old defender for Portland Timbers, is at $\text{€}0.0028$, which is 72% below the average for rare cards. The auction is ending soon, making it a high-priority undervalued investment opportunity.

5 **Alexander Paulsen** TRENDING [View on Sorare →](#)

Alexander Paulsen, a 23-year-old goalkeeper at KS Lechia Gdańsk, is available for $\text{€}0.0051$, 49% below the average for rare cards. With just four hours left on the auction, this card is an attractive offer in a position that's typically scarce.
